

AWS Builder's Quest

aws-builders-quest@amazon.com

Do I get anything for attending this event?

How do I prove I participated?

Do I get a certificate of completion?

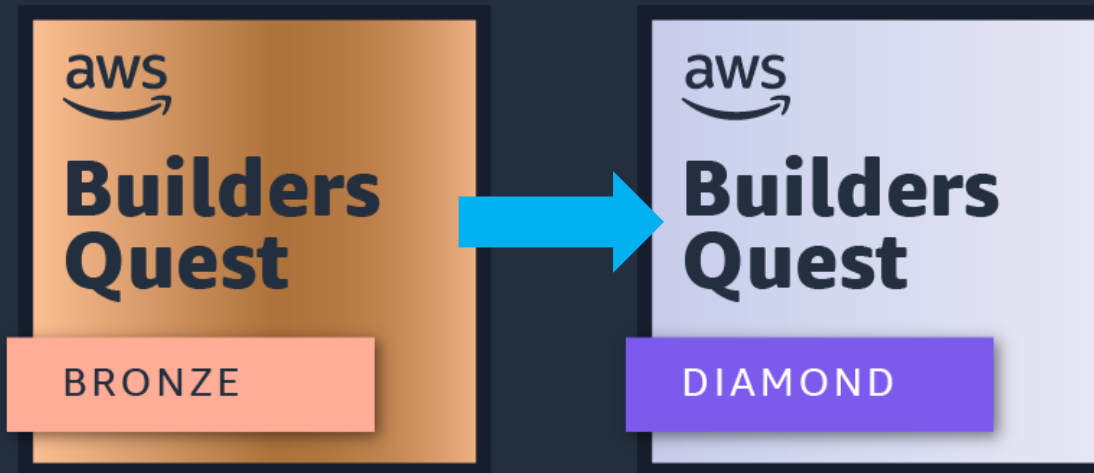

Definition

AWS Builder's Quest (ABQ) is a digital badge program that provides recognition for participation and completion of AWS technology learning events. These events include AWS Immersion Days. AWS Builder's Quest encourages a wider and deeper understanding of AWS cloud technologies while introducing new learning paths and highlighting personal achievements.

What kind of Digital Badges?

- AWS Builder's Quest Learning Participant Badges
- Participant Badge for each Immersion Day
- AWS Builder's Quest Level Badges
 - 5 Levels of Achievements

Why should I participate in AWS Builder's Quest?

- Increase knowledge of AWS Services
- New learning pathways
- Build your confidence with hands on workshops
- Innovate on AWS
- Visually represent achievements on professional networks

How do I participate?

- Participate in an AWS Immersion Day. Be on the platform and actively working in the hands on labs.
- Complete within 24 hours of Immersion Day.
- Complete the Event Survey.
- Choose to Opt-In by following the link after you submit your survey.
- Credly will send you an email to claim your badge.

Received on: 2024-01-24 at 11:48 AM

If you wish to obtain an AWS Builder's Quest digital Badge, please provide consent for us to share your name and email address with Credly by completing this survey:

Link will vary depending on badge
