AWS Builder's Quest

aws-builders-quest@amazon.com

Do I get anything for attending this event?

How do I prove I participated?
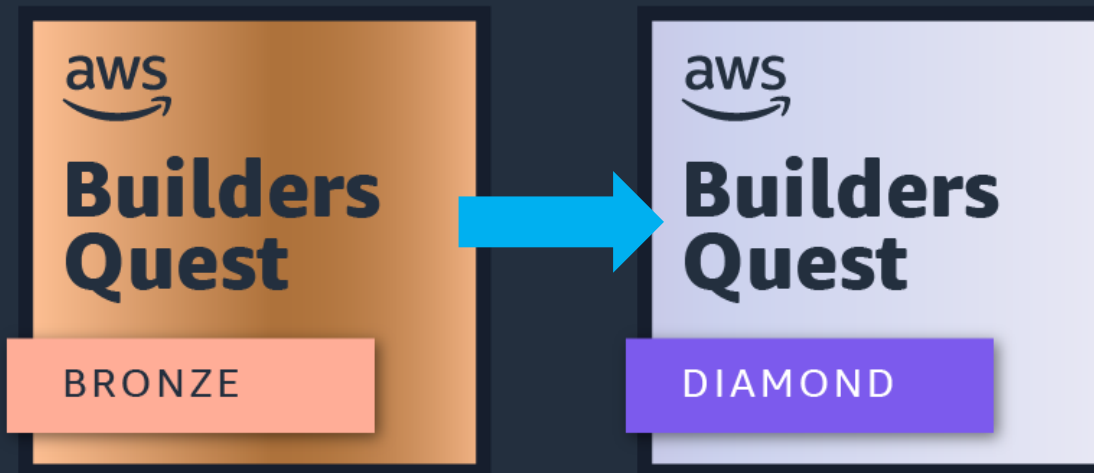

Do I get a certificate of completion?

Definition

AWS Builder's Quest (ABQ) is a digital badge program that provides recognition for participation and completion of AWS technology learning events. These events include AWS Immersion Days. AWS Builder's Quest encourages a wider and deeper understanding of AWS cloud technologies while introducing new learning paths and highlighting personal achievements.

What kind of Digital Badges?

- AWS Builder's Quest Learning Participant Badges
- Participant Badge for each Immersion Day

- AWS Builder's Quest Level Badges
  - 5 Levels of Achievements

Why should I participate in AWS Builder's Quest?

➢ Increase knowledge of AWS Services

➢ New learning pathways

➢ Build your confidence with hands on workshops

➢ Innovate on AWS

➢ Visually represent achievements on professional networks

How do I participate?

➤ Participate in an AWS Immersion Day. Be on the platform and actively working in the hands on labs.

➤ Complete the Event Survey.

➤ Choose to Opt-In by following the link after you submit your survey.
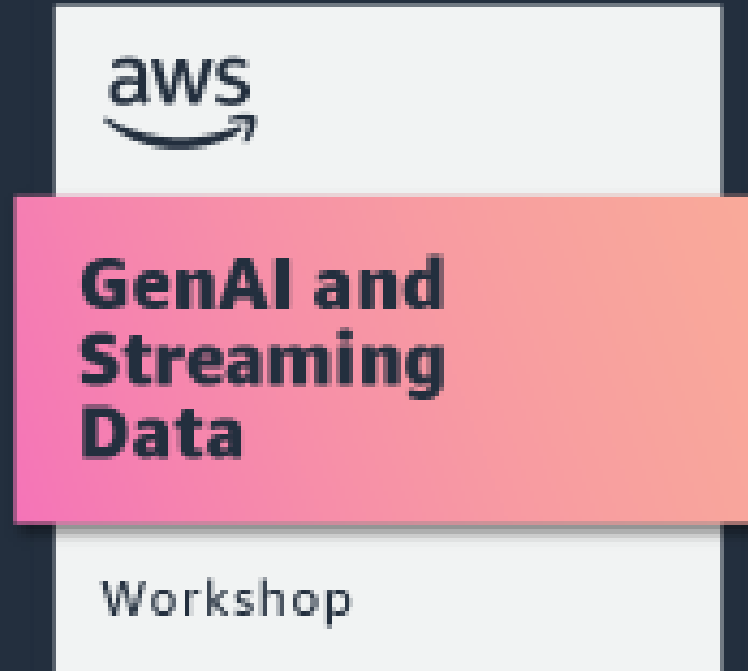

➤ Credly will send you an email to claim your badge.
